FILLING THE GAP: ALASKA INNOVATIVE MEDICINE, INC.

June 2016
What is Alaska Innovative Medicine, Inc?

A Physician driven, multidisciplinary approach to care coordination.
How does the model work?
WHAT PATIENTS DO WE WORK WITH?

High Risk Patients: Premera Blue Cross & Blue Shield of Alaska & Medicare (BPCI)

- Transitioning from acute facility
- Potential “gap”
- New diagnosis
- Poly chronic
- Identified from insurer
- Identified from Physician
HOW DO WE HELP?

- Reduce risks associated with gaps in healthcare
- Integrate personal goals into healthcare plan
- Home visits from team members
- Connect patients with providers
- Medication reconciliation and education
- Interpret discharge instructions
- Diagnosis education
- Navigate healthcare barriers
Outreached to over 1000 patients in the Anchorage area

- Preventing avoidable ER visits
- Reducing admission lengths
- Improving the patient experience

- “Before AIM he had an 80% chance of readmission, now he has a 20% chance” – local physician
- “It helps that somebody cares” – AIM patient
- “Thank you for not giving up on me. I'm pretty much a recluse and didn't want help, but because you kept pursuing me, I was able to get what I needed. Now I really appreciate you being involved. I now have someone to call when I need help.” – AIM patient
- “I feel better about what I am doing and I am able to stay at work” – AIM patient

ALASKA INNOVATIVE MEDICINE, INC
TESTIMONIALS
Possible Demonstration Project:
Shared Savings through a Bundled Payment Program
THE CASE FOR BUNDLED PAYMENTS

*ACCORDING TO CMS

- Large opportunity to reduce costs from waste and variation.
- Gainsharing incentives align hospitals, physicians, and post-acute care providers in the redesign of care that achieves savings and improves quality.
- Strategies learned in bundled payments lay the foundation for success in a value-driven market.
- Adoption of bundled payments is accelerating across both private and public payers.
